To Whom It May Concern:

Our company has been using Wooster Motor Ways for over ten years. For as long as I can remember, they have moved ten to twenty of our loads per week with great efficiency and attention to detail.

Their people are easy to work with, and treat our freight as if it were their own. When we have encountered problems, we have always been able to sit down and resolve them in a mutually beneficial manner.

I would highly recommend Wooster Motor Ways to any shipper looking for a solid, reliable regional carrier.

Sincerely,

Mike Sylvester
